WNC Agriculture Center
1301 Fanning Bridge Road, Fletcher, NC 28732

To all ACD lovers:

Welcome to the 28th annual ACD Specialty in the extraordinarily beautiful mountains of North Carolina. We are proud to host all of you and are looking forward to having yet another eventful week filled with dogs, friends, and tradition.

Unlike many other specialties, those of us who have worked so hard to bring this specialty to you do not belong to a local ACD club. All of those folks listed on Specialty Committee page and many others behind the scenes put in volunteer time and countless hours for this specialty. We've been working for the past year towards this week and now our efforts are nearly completed as we take time to enjoy this specialty with you, with our friends, and with our dogs.

There will be changes in the usual schedule for this specialty due to the compressed time frame, but everything from agility to the awards banquet is available for you to participate in or to have fun watching. We are especially pleased to have two days of the AKC competition events (agility, rally, obedience, breed, and herding) as well as herding practice runs, instinct testing, health clinics, properties, Dingo Bingo, parades, the General Meeting, the Calcutta, the Welcome BBQ, the Versatility Competition, Sweepstakes, CGC, Juniors Party, and the Awards Banquet. Quite a bit for you to choose from and to enjoy with your friends and dogs! Check out our website (www.acdca2011.com) for updated information.

This is the loveliest time of year in the NC mountains. The leaves on the trees are glorious in their fall foliage. We hope that you will look out over these mountains during your week here and view them as part of the wonderful, busy, fun, and friendly 28th Annual Specialty.

Welcome one and all!

Ellen Beasley, National Specialty Convention Coordinator

ACDCA HERDING INSTINCT TESTS

Have you ever wondered what kind of herding instinct your ACD has? Here's your chance to find out! A short, simple exposure to livestock (sheep) conducted by an experienced ACD handler will show you. No herding experience necessary! Have as many dogs evaluated as you'd like. A handsome ACDCA certificate will be issued to those dogs passing. Release of Liability Form required-see pages 15 & 16.

Wednesday, September 28, 2011

Testing begins at 8:00 am. Ending time depends on entries.
